CISO 360 LATAM

CSO 360 LATAM

Hosted and created by PULSE CONFERENCES

Welcome Latin America! Bem-vindo, América Latina! ¡Bienvenida, América Latina!

Dear Colleague,

Welcome to the inaugural **CISO + CSO 360 LATAM**, bringing together CISOs, CSOs, and leaders across cybersecurity, corporate security, resilience, intelligence, investigations and geopolitical risk. For the first time, the Pulse 360 ethos comes to Latin America, uniting cyber and physical security communities under one roof while preserving the distinct focus of each discipline. This is collaboration, not convergence: a space for real dialogue, shared experience, and practical strategies shaped by LATAM's dynamic operating environment.

Why Participate?

· Multilingual sessions (EN | ES | PT-BR) · LATAM-first perspective with global depth · Outcome-driven, practitioner-led discussions · Cross-security collaboration: Cyber + Physical + Intelligence + Resilience · Innovation spotlight & curated 1-2-1 meetings · Cultural networking experiences across Rio

Join us for this first edition and become a **CISO + CSO 360 LATAM Founder!**

Warm regards,
The CISO + CSO 360 LATAM Team
Pulse Conferences

Prezado(a) Colega,

Bem-vindo(a) ao **CISO + CSO 360 LATAM,** reunindo CISOs, CSOs e líderes de cibersegurança, segurança corporativa, resiliência, inteligência, investigações e risco geopolítico. Pela primeira vez, o espírito Pulse 360 chega à América Latina — unindo as comunidades de segurança física e cibernética, preservando o foco distinto de cada área. É colaboração, não convergência: um espaço para diálogo real, troca de experiências e estratégias práticas para o dinâmico cenário operacional da região.

Por que Participar?

· Sessões multilíngues (EN | ES | PT-BR)
· Visão LATAM com profundidade global
· Discussões práticas e orientadas a resultados · Colaboração entre Cyber + Físico + Inteligência + Resiliência
· Destaque de inovação & reuniões 1-a-1
· Networking cultural pelas noites do Rio

Junte-se a nós nesta primeira edição e torne-se um(a) **Founder do CISO + CSO 360 LATAM.**

Atenciosamente,
Equipe CISO + CSO 360 LATAM
Pulse Conferences

Estimado(a) Colega,

Bienvenido(a) a **CISO + CSO 360 LATAM**, que reúne a CISOs, CSOs y líderes de ciberseguridad, seguridad corporativa, resiliencia, inteligencia, investigaciones y riesgo geopolítico. Por primera vez, el espíritu Pulse 360 llega a América Latina — uniendo las comunidades de seguridad física y cibernética, manteniendo el enfoque propio de cada disciplina. Es colaboración, no convergencia: un espacio para diálogo real, experiencias compartidas y estrategias prácticas para el entorno dinámico de la región.

¿Por qué Participar?

· Sesiones multilingües (EN | ES | PT-BR)
· Perspectiva LATAM con visión global · Conversaciones prácticas y orientadas a resultados
· Colaboración entre Ciber + Física + Inteligencia + Resiliencia
· Spotlight de innovación & reuniones 1-a-1 · Networking cultural en las noches de Río

Únase a esta primera edición y conviértase en **Founder de CISO + CSO 360 LATAM.**

Atentamente,
Equipo CISO + CSO 360 LATAM

Security Leadership: CSO + CISO 360 LATAM

09:00 **Coffee, Refreshments, Networking**

09:15 **Chairperson's Welcome**

09:20 **Geopolitical Spotlight: Latin America in the Polycrisis 2027**
Sibylline's strategic outlook points to a convergence of geopolitical, technological, and economic shocks which could lead to a global crisis around the year 2027. Hear insights and predictions on the impacts of this 'polycrisis' to LATAM stability and business operations.
Rafael Saliés, Senior Manager, Sibylline (Brazil)

09:40 **Global Intelligence Panel: Around the World: Global Shifts Affecting Corporate Security & Resilience. What do Intelligence, Resilience and Cyber Leaders See Ahead?**
Because the US is the world's geopolitical anchor, its changing role impacts all global markets, not just LATAM.

- Realignment of global alliances. Impacts on global companies operating in LATAM
- Latin America: Geopolitics, Organised Crime and the next wave of risk
- Changing role of the US on the world stage
- US-China tech race
- Ripple effects on supply chains, sanctions, trade
- Middle East | Sub-Saharan Africa
- Drone incursions in Eastern Europe; increasing political violence in Europe

10:10 **Case Story: From Fatigue to Clarity: Redefining Cybersecurity Leadership in the Age of Information Overload**
In an environment overwhelmed by tools, vendors, and constant digital expansion, cybersecurity leaders struggle with fatigue and fragmented visibility. Highlights how simplifying management, consolidating capabilities, and using structured frameworks can transform complexity into informed, strategic decision-making enabling clearer leadership and more resilient security operations.
Leandro Ferreira, CISO, Secretaria de Tecnologia da Informação e Comunicação, Superior Tribunal de Justiça (STJ) (Brazil)

10:40 **Spotlight: Taking A Data-First Approach to Cyber Risk Management**
Cyber Risk Management has evolved. Every new vulnerability or regulation adds further pressures on already stretched teams to predict and manage the weakest links within your internal IT infrastructure. Piling on to today's cyber risk landscape is the ever-expanding digital supply chain, and the need to onboard, assess, and monitor third parties, fourth parties, and Nth parties. But does it really have to be that way?
Marcos Reis, Director, Solutions Consulting, Mastercard (Brazil)

11:00-12:00 **Morning Coffee Break + 360 Innovation 1-2-1 Speed-Meetings**
Meet technology innovators in fast, 5-minute conversations. Pre-matched based on mutual interests. Explore new tools, strategies, and real-world challenges.

CISO 360 LATAM:
CISO 360 LATAM: Cybersecurity that Inspires: Innovation and Resilience Leadership

12:00 **Case Story: The Attacker Journey: Mapping Techniques Across Security Domains**
Organisations still defend in silos - such as cyber, anti-fraud or physical security - while attackers move seamlessly across them. Explore a technique-based approach, proven in the cyber domain, to model attacker journeys, map flows, and validate controls across multiple security domains. A local proof of concept will show how combining perspectives revealed hidden attack paths and helped mitigate active threats. Hear what it takes to extend this discipline beyond cyber and show how cross-domain mapping can bridge fragmented defenses and turn isolated responses into coordinated resilience.
Carlos Gonçalves, Principal Security Engineer, Banco do Brasil (Brazil)

12:30 **Spotlight: Cyber Risk Decisioning: What's the ROI**
Cyber risk can and should be managed like other business risk
- Communicate cyber risk in terms the BOD, Executive peers, and product leaders understand
- Shift the conversation from control improvement and costs to investment alternatives and outcomes
- Increase the velocity of decision making to match the tone and rhythm of the business

Marc Krevinghaus, President, ISC2 Peru Chapter (Peru)

14:00 **Panel: Auditing AI & Synthetic Identity Risks: A Practical Framework for CISOs and CSOs in Latin America**
Alejandra Guevara, Head of Compliance, HSBC Mexico (& ISC2 Mexico)

14:30 **Spotlight: Back to the Future: Security and Risks in the Age of AI**
Michael Colao, Former Chief Underwriter - Direct and Indirect Risks, AXA XL (UK)

CSO 360 LATAM:
Global Security Intelligence Protecting People, Profits, Property, Reputation

12:00 **Case Story: Enterprise Security Risk Management (ESRM) at Mercado Livre Brazil Logistics**
Eduardo shares how Mercado Livre applies ESRM across its fast-moving logistics operations. Real challenges -from internal incidents to organised criminal activity -and how cross-functional collaboration, intelligence and technology shape decision-making. Practical lessons for security leaders seeking to embed ESRM in complex, high-growth environments where scale, speed and resilience must work hand in hand.
Eduardo Rezende, Head of Loss Prevention, Mercado Livre (Brazil)

12:30 **Case Story: Protecting the Traveling Public at Marriott International: Global Risks Require Local Solutions**
Learn how we apply an intelligence-led, thread-based methodology to nearly 10,000 properties worldwide with regional case studies. We will discuss how our worldclass program is leveraged in markets of all sizes in locations with distinct geopolitics, while welcoming guests from all backgrounds.
Richard Barta, Senior Manager, Operations Support & Intelligence | Caribbean & Latin America | US & Canada, Global Safety & Security (GS&S), Marriott International (USA)

Addressing the complexities of mass event protection ahead of Mexico's hosting of the 2026 World Cup.
Rachael Hughen, Senior Intelligence Manager, FIFA World Cup 2026™ - Canada, Mexico and the United States (USA)

15:50 **LATAM CSO and CISO Power Panel: Organised Crime & Security - How are Organised Crime Groups (OCGs) Evolving in LATAM? Real Impacts on Business, People & Operations**
Regional, operational, sector-focused, what are companies operating in Brazil & LATAM preparing for with organised crime as a corporate risk multiplier?

- LATAM criminal governance & "parallel states"
- Fragmentation & alliances of OCGs
- Extortion, cargo theft, corruption, cybercrime
- Illicit trade + corruption + governance
- Sector-specific cyber risks - How are we protecting global supply chains?
- Protocols for dealing with kidnap, bribery and extortion
- Real-world case studies and security implications for corporations
