### Chief Audit Executive 360 Congress

#### Dates to be announced

A conference followed by a half day roundtable discussion to connect senior internal auditors for debate on new roles for audit and risk and to compare approaches to challenges on the business transformation horizon, fraud and corruption and the convergence of digital and financial crime landscape. Email [teampulse@pulseconferences.com](mailto:teampulse@pulseconferences.com)

#### Any requested city!

A unique one-day conference for senior investigators to share knowledge, intelligence and strategic initiatives. Led by the finest senior investigation practitioners in the corporate sector who lead on the job, day in day out, this is the ideal place to share the successes and challenges faced by today's corporate investigators. The '360' reflects the multi-disciplinary approach to best practice investigations, providing a veritable 'tool box' for senior corporate investigators and interfaces with different roles involved in managing complex, large scale investigations.

Email [teampulse@pulseconferences.com](mailto:teampulse@pulseconferences.com)

#### Any requested city!

Half-day roundtable. CISOs and Board members will share some of the steps and approaches taken within their own companies, as well as tips on how to align culture and mindset across security-business-technology and legal. A panel of non-security Board Members (covering General Counsel, HR, CMO) will share insights on how can the CISO can improve security leadership offering and vice-versa. A debate on cyber risk at the top level as investors increasingly ask questions about how Boards are managing and mitigating cybersecurity because of litigation and reputation risks.

Email [teampulse@pulseconferences.com](mailto:teampulse@pulseconferences.com)

#### Any requested city!

A one-day conference, uniting financial services incumbents with new fintech participants, shareholders and innovators to discuss critical approaches to regulation, cybersecurity, AI, DevOps and the emerging threat landscape. Email [teampulse@pulseconferences.com](mailto:teampulse@pulseconferences.com)

### Helsinki / Copenhagen / Stockholm / Oslo

One-day conference for Chief Information Security Officers, Directors of Cybersecurity and Threat Intelligence and C-level managing cyber risk from Northern Europe. Email [teampulse@pulseconferences.com](mailto:teampulse@pulseconferences.com)
