

## Events Calendar 2018-2019

 <p><b>Cyber Threat 360 Roundtable</b></p>	<p><b>Cyber Threat 360 Roundtable</b> <b>27 September 2018, Simpson's in the Strand London</b> <b>Predict, prevent, detect, respond: 360-degree benchmarking on the challenges of the cyber threat landscape.</b> One-day roundtable - the ideal peer to peer benchmarking opportunity for CISOs, CIOs and other senior risk, responders to examine with combined peer group brain power, a multi-faceted approach to managing the challenges of the current and emerging cyber threat landscape. Connect with peers via rotating roundtables and expand your trusted professional networks to strengthen capacity. Output report is provided under the Chatham House Rule. <a href="http://www.cyberthreat360roundtable.com">www.cyberthreat360roundtable.com</a></p>
 <p><b>CISO 360 BOARDROOM</b> <b>Talk to the Board</b></p>	<p><b>Talk to the Board</b> <b>6 November 2018, London Transport Museum</b> <b>A reciprocal discussion between the Board, CISOs and C-Suite.</b> One-day conference. CISOs get to ask questions of a 'fantasy' Board made up of actual Board Members already including: CEO of Wetherspoon plc.; Chairman of NSPCC; CIO of WPP; NED of EMC and CFO of an Investec company. The Board will share insights on how can the CISO can improve leadership, investment and risk management offering. The Board will learn from CISOs in this debate on cyber risk at the highest level - at a time when the investor community is increasingly asking questions about how Boards are managing and mitigating cybersecurity because of litigation and reputational risk. <a href="http://www.talktotheboard.com">www.talktotheboard.com</a></p>
 <p><b>2nd CSO 360 GLOBAL</b> Congress 2018 ENGAGEMENT   RESILIENCE   CONVERGENCE</p>	<p><b>2nd CSO 360 Congress</b> <b>5-6 December 2018, Ritz-Carlton, Vienna</b> <b>Leveraging security to enable business innovation - protecting people, profits and property.</b> Second annual flagship global conference for chief security officers, corporate security directors, investigators and intelligence chiefs to benchmark on integrated security, counter-threat and intelligence strategies to protect people, profits, property and leverage global business operations. <a href="http://www.cso360congress.com">www.cso360congress.com</a></p>
