BITSIGHT

Pulse Conferences is delighted to present the **2nd CSO 360 Congress**, to be hosted 5-6 December 2018 in the wonderful city of Vienna. This trusted, community-based event- for senior in-house chief security officers, corporate security, resilience, threat management, intelligence and crisis response directors- enables truly global peer to peer sharing. We pride ourselves not only on who is on stage but who is in the room!

CSO 360 uniquely tackles priority challenges for Chief Security Officers, many of whom oversee diverse areas and teams covering in corporate security, cybersecurity, information security, fraud, physical and executive and travel security, resiliency, forensics and investigations. We offer an integrated and converged security focus.

- **Connect with global security leaders** - Exchange real experiences to pool brain power on the resilience of global business amidst rapidly evolving threat landscapes and changes in geopolitical, technological and financial spheres.
- **Innovate your security strategy** - Partake in this share of strategies, tactics and methods for improving the protection of clients, employees and business partners as well as the security of assets, information and reputation.
- **Leave inspired for action** - Exchange practical approaches, innovation and strategies on the emerging threat horizon.

Key themes
