Pulse Conferences is delighted to announce this new event for CISOs, CSOs and senior cybersecurity practitioners from across the Nordics. Attendees will unite to benchmark progress and challenges on cybersecurity priorities in the wonderful Helsinki for CISO 360 Nordics, part of the global CISO 360 series.

The programme is designed to enhance interaction and facilitate discussion around the key challenges and critical topics confronting CISOs and leaders in technology and business. This is critical benchmarking on the emerging opportunities and risk horizon, role expectations and business technologies within the years to come.

- **One-day action-packed agenda** - attendees will be presented with a CISO Think Tank, topical debates, and practical use corporate case studies.
- **Morning** - corporate case studies, insightful keynotes and fireside chat discussions. Speakers from across the region and beyond, specifically chosen for practical use cases they will bring to the table, will offer deep insights into what good security looks like – setting new expectations.
- **Afternoon** - 360 think tank perspective for CISOs - a journey beyond the security realm to give exposure to non-security leaders and c-suite!
- **CISO 360 Nordics Networking Reception** - an integral part of the CISO 360 experience.

## 6 ways that CISO 360 events differ

- 1. Trust-based community** - an open sharing environment, held entirely under the Chatham House Rule
- 2. Corporate case studies from the nordics region** - a focus on CISO to CISO benchmarking and bringing in new inspiring ways of thinking from non security perspectives!
- 3. Authentic integration** - between inhouse security, supply chain and technology innovators
- 4. Immersive agenda** - debates, think tanks, roundtables, by sector discussions, scenario planning, live metrics...
- 5. Integral CISO 360 networking experience** - enduring connections are guaranteed or your money back!
- 6. A fresh R&D and investment focus** - views from technology innovators and investors ted community - creating meaningful interactions for CISO, CSO, CxOs, stakeholders and luminaries

**CISO 360 Think Tank** provides the opportunity for CISOs to benchmark lessons learned and tried and tested approaches to deal with 4 areas of security that are seeing rapid innovation: AI/ML; Cloud; AI/ML and Cyber Threat Intelligence. Working in 4 groups, you will successes with peers as well as failings during these facilitated discussions. Each table will be led by a CISO alongside a strategist. Detailed notes will be taken (unattributed to who said what) for contribution as a tangible takeaway the week following the event, with the combined thoughts and conclusions from CISOs working in the Nordics region.

- What practical lessons can we share?
- What role are these technologies currently playing?
- How does this fit within the business risk strategy?

*"I would like to say thank Pulse for your effort, diligence, professionalism, patience and results - Pulse has been a great addition to our programme."*

**Director of Marketing, EMEA & APAC, Skybox Security**

*"Excellent value for me and my organisation. Being able to engage senior level execs in the cybersecurity space on a 1-1 basis is invaluable. The evening activities were entertaining and really helped build trust and relationships."*

**EMEA Marketing Director, SailPoint**

*"We generated and qualified many leads which stand a good chance of leading to business. What went well? - understanding what customers want: a product of spending time with them - quality of delegates: as good as any event that I have attended, but the key difference was the amount of time spent listening to them and the opportunity to socialise. - quality of support: very happy!"*

**Head of Commercial Business Development, Garrison**

*"This was our first but definitely not our last CISO360! A well planned and executed event with a clear goal of providing tangible value for the participants in combination with a great community feel sure makes it a stand-out event to return to."* **Director, NetClean**

*"Team Pulse put together a fantastically well organised and thoroughly enjoyable event this year in Rome. The CISO 360 Pulse Conference was most informative, engaging and gave us a great opportunity for learning, networking and relationship building. Looking forward to the next one."* **Director, Synack**

*"Pulse Conferences run the best CISO conference of the year and we are very proud to take part!"* **Marketing Director EMEA, Agari**

*"Quality time with high calibre delegates and the one to one meetings and social schedule help foster relationships"* **Director, Nominet**
