Building Cyber Resilience and Trust for Evolving Threat and Opportunity Landscapes

"Great platform to engage and broaden awareness and experience, especially during lock down when things are in many areas stretched and time is not as abundant as many assume."

CISO, EDF Energy

"This is the best online conference that I have attended. Brilliant, innovative and informative from start to finish."

Head of Privacy, Atos

"By far the best event all year that I have attended. I always makes an effort to attend CISO 360 events as it is not just an event, it is a trusted community that comes together from around the world!"

Group CISO and Group DPO, MS Amlin

As a CISO or security luminary, you are invited to participate in **CISO 360 Nordics**, a thought leadership think tank that will be broadcast live and in real time to CISOs and the senior information security community in the Nordics region by Pulse Conferences, **16 September 2020!**

Benchmark approaches and challenges on critical topics confronting CISOs and technology leaders. Always forward facing, share predictions with peers on the emerging opportunities, the evolving risk horizon and changing role expectations and business technologies.

Why join CISO 360 Nordics?

- **Action-packed agenda** - Fireside chats, keynote lightning talks, use corporate case studies and roundtable.
- **Practical and future facing** - What does good look like now, what will it look like.
- **360 perspectives** - Speakers from across the region and beyond, specifically chosen for practical use cases they will bring to the virtual table!
- **FULLY INTERACTIVE, 100% LIVE!** - Live polls; Spotlight onto the virtual stage; Open Q&A and chat
- **CISO 360 Nordics Roundtable** - Threat sharing with peers

4 ways to Interact!

1. **Live Polls** - a great temperature test and gain key metrics amongst peers!
2. **Ask a Question** - ask and respond to questions and upvote the best questions to the top (like Sli.do).
3. **Chat** - open forum for the networking with peers, share insights and experiences during the event. The discussion happens on two levels!
4. **SPOTLIGHT** - Write "SPOTLIGHT" in the Chat to be invited up to the virtual stage to ask a question or to share insights.

Kyuu Eturautti, CISO, **Tammar Brands Oy**

12:10 Threat Horizon: Cyber Threat Intelligence and Incident Response

Sharing emerging attack trends in the region and operational best practices on cyber threat intelligence. What are the new threats companies need to identify and mitigate against?

The roundtable will provide the opportunity to benchmark lessons learned and tried and tested approaches on areas of priority. Participants input into this part of the agenda pre-event, ensuring that the most critical common challenges are addressed. Led by fellow CISOs, participants will be encouraged to be visible for this part of the agenda.

- Emerging trends in cyber threat intelligence
- Trends in pandemic related phishing and ransomware campaigns
- Threat landscape analysis and horizon scanning techniques
- CIRT triage by decentralized fusion teams
- How can we prepare? Priorities and opportunities
- What productivity gains can we unlock through robotic process automation, AI and cloud computing?
- What type of cyberattacks do you predict will threaten your company over the next year?
- What needs to be done today to prepare our organisations for tomorrow?
- What do we believe are the top ways to protect our companies against cyberattack?

"I would like to say thank Pulse for your effort, diligence, professionalism, patience and results - Pulse has been a great addition to our programme."
Director of Marketing, EMEA & APAC, Skybox Security

"Excellent value for me and my organisation. Being able to engage senior level execs in the cybersecurity space on a 1-1 basis is invaluable. The evening activities were entertaining and really helped build trust and relationships."
EMEA Marketing Director, SailPoint

"We generated and qualified many leads which stand a good chance of leading to business. What went well? - understanding what customers want: a product of spending time with them - quality of delegates: as good as any event that I have attended, but the key difference was the amount of time spent listening to them and the opportunity to socialise. - quality of support: very happy!"
Head of Commercial Business Development, Garrison

"This was our first but definitely not our last CISO360! A well planned and executed event with a clear goal of providing tangible value for the participants in combination with a great community feel sure makes it a stand-out event to return to." **Director, NetClean**

"Team Pulse put together a fantastically well organised and thoroughly enjoyable event this year in Rome. The CISO 360 Pulse Conference was most informative, engaging and gave us a great opportunity for learning, networking and relationship building. Looking forward to the next one." **Director, Synack**
