## Join this interactive LIVE BROADCAST with local

CISOs and Attack Specialists Learn how leading CISOs in the Middle East are

- responding to sophisticated cyber-attacks
- Hear about CISO challenges, successes and actions taken to reduce vulnerability and breach risk
- Benchmark real world application and engage within your own trusted peer group

"I would like to extend my appreciation having been given the chance to witness the success of your recent event. I look forward to a further outstanding line-up of events!" Head of IT, GOPA International Energy

"By far the best event I have attended. I always make an effort to attend CISO 360 as it is not just an event, it is a trusted community that comes together from around the world!" Group CISO and Group DPO, MS Amlin

"You brought the world's cyber concern to the UAE for awareness and also brought together regional and world experts to provide advice based on their own experience!"

Head of Planning and IT Security, Al Dhafra Region Municipality (UAE)

Dr. Mohammad Khaled VP - Critical Infrastructure Vice President Middle East & Group 42

Developed and Hosted by

Monday 19 October 2020 10:30-12:30 **Gulf Standard Time** 

This interactive LIVE BROADCAST with local CISOs and Attack Specialists is hosted by Pulse Conferences and sponsored by Synack. Learn how leading CISOs in the Middle East are responding to the exponentially growing and increasingly sophisticated cyber-attacks from malicious hacker groups and hostile foreign entities. Hear about their challenges and successes in securing their organizations and actions they have taken to reduce their vulnerability and breach risk. This is the perfect opportunity to join in real world application, and engaging, interactive discussions within your own trusted peer group.

- 10:15-10:30 Join early to self-badge and participate in chat, polls and ask questions even before the event starts!
- 10:30-10:35 Welcome and introductions Master of Ceremonies: Clive Room, Director, Pulse Conferences; Chairperson: Marcus Alldrick, CISO Luminary
- 10:35-10:50 Attack Landscape Insights - Weathering the Attack Storm in the Middle East Nathan Swain, Senior Security Advisor, UK Government (Abu Dhabi, UAE) Mena George, Cybersecurity Analyst, Rethink Technology - IT Services Group of Al Ahli Group (Dubai, UAE)
- Case Studies: Corporate CISO share tried and tested strategies 10:50-11:10 Darwish Mohamad Azad, Group CISO, Emirates NBD (Dubai, UAE); George Eapen, Global CIO, Petrofac (Dubai, UAE); Majed Alshodari, CISO, Allied Cooperative Insurance Group (Saudi Arabia); Mohamed Mousa, Group CISO, IKEA KSA/ Bahrain (Saudi Arabia)

The panel of CISOs and attack strategists will share practical insights on what is working for them. Areas include first-hand knowledge on:

• What is the cyber threat environment like in the Middle East today? How does this differ from other regions?

• What does the modern pen tester look like? Crowdsourcing, credit scoring methods, traditional pen-tests

• Data leakage prevention strategies that work... Chaired by: Marcus Alldrick, CISO Luminary

Panel:

Darwish Mohamad Azad, Group CISO, Emirates NBD (Dubai, UAE) George Eapen, Global CIO, Petrofac (Dubai, UAE) Majed Alshodari, CISO, Allied Cooperative Insurance Group (Saudi Arabia)

Mohamed Mousa, Group CISO, IKEA KSA/Bahrain (Saudi Arabia)

Ron Peeters, Vice President Middle East & Emerging Markets, Synack (Netherlands)
