13:30-14:00 (LOUNGE)
Networking
Take your seat at a table in The Lounge area and say hello to peers before the Stage goes live! You'll automatically be teleported to the Stage when it goes live.

14:00-14:10
Welcome, Recap, Objectives! (LIVE STAGE)
· Key themes and questions that emerged from July discussions to pick up on in the roundtables today
· A quick recap! (video)
· Leverage the platform
Marcus Alldrick, CISO Luminary, Sanna Lindstrom and Clive Room, Pulse Conferences

14:10-14:30 (LIVE STAGE)
Keynote and Open Q&A
The Growing Menace From Within - Why Insider Threat Is The Biggest Risk That Firms Face
Join Andrew for this overview of insider theat. Learn why it's now the prevalent threat vector; how firms should think about, and plan for, insider attacks; and where the threat vector may go next. Time to ask Andrew questions and share your own learnings on this important topic.
Andrew Rose, Resident CISO, Proofpoint

14:30-14:45
Open Q&A on Insider Threats (LIVE STAGE)
Ask a question or share an insight on screen with Andrew. Simply 'raise your hand' and click 'Accept' to a 'Stage Invite'!
With Andrew Rose, Resident CISO, Proofpoint. Facilitated by Marcus Alldrick. Joined by Participants for Q&A

14:45-15:15 (LOUNGE)
Roundtables Practical CISO Roadmaps
Attendees benefit from working together in smaller group roundtables. Click into your preferred topic table. Each roundtable expands to 15 people per table.
1. **Zero Trust Models** - are we using them? What are key learnings? **Led by Gérard Duerrmeyer, CISO, Norwegian**
2. **Ransomware** - how are we preparing to respond? **Led by Stephen Khan, Global Head of Technology & Cyber Security Risk, Chair of Club CISO & White Hat Events**
3. **Compliance** - what have we been doing over the past 18 months in security maturity?
4. **Platforms** - integration and automation to time save?
5. **Threat intelligence** - how do we shine a light into the 'dark pools'?

15:15-15:30 (LIVE STAGE)
Share back and Q&A CISO Roadmaps

15:30-16:00 (LOUNGE)
Roundtables Practical CISO Roadmaps
Attendees benefit from working together in smaller group roundtables. Click into your preferred topic table. Each roundtable expands to 15 people per table.
1. **Risk quantification** - what models are working?
2. **Scale up** - how am I scaling security within the business?
3. **Supply chain** - how am I mitigating risk?
4. **Cloud** - how are we keeping up with change?
5. **Data breach** - what mitigations are working? **Led by Jonathan Armstrong, Partner, Cordery Compliance**

16:00-16:15 (LIVE STAGE)
