

HEALTH AND SAFETY INFORMATION

5th CSO 360 Congress
7-9 March 2022 at VP Plaza España Design, Madrid.

Below are Health & Safety measures that Pulse Conferences are taking around 5th CSO 360 Congress:

- All participants are strongly urged to be double-vaccinated and to take a Lateral Flow Test within 48 hours of the event start date.
- Compulsory pre-event questions on the registration form ask guests to agree to comply with health and safety measures to attend.
- The congress venue, VP Plaza España Design Madrid, has implemented measures in all hotel spaces to be COVID compliant, in line with the Spanish Government guidelines to protect guests, staff, and suppliers. To read more about all venue guidelines please visit: <https://www.plazaespana-hotel.com/en/covid-alert/>
- Hand sanitiser is available on arrival and throughout the building. Enhanced cleaning schedules by the venue.
- Facemasks are to be worn in accordance with local laws of the Spanish Government across all venues.
- Collection of all attendee details pre-event by Pulse. Everyone must be pre-registered for the congress.
- Social density by booking rooms with a much larger capacity than is required to maximise room layouts.
- Coffee and afternoon tea networking will be hosted in the foyer. Lunch is seated in the restaurant, separate to where discussions take place, with a capacity that much larger than the the number attending.
- Ventilation - All rooms used are spacious rooms with very high ceilings and active aircon. Windows will be open when possible.
- Pulse will only work with safe and compliant venues. Networking events are to be hosted in accordance with local laws of the Spanish Government and a mix of indoor and outdoor spaces will be used where possible.
- Reduced touch points throughout the event - in the networking area and a touch free sign in.
- Table tops with minimal physical collateral. Sponsors are encouraged to use digital assets where possible.
- Pulse team onsite is double-vaccinated and tested pre-event. The team has also minimised use of shared equipment/ supplies (home working) and we have a quarantine/ isolation plan for the team if someone falls ill or self-report with symptoms and replacement staff as back up.
- Hosted as a Covid-compliant event in line with local Spanish government guidelines and recommended measures.
