## CSO 360 Resilience 360 Roundtable **NORDICS**

# Crucial Trends to Build Organisational Resilience in 2023

### About the Venue

#### **Berns Hotel Stockholm – Röda Rummet**

The Iconic Berns has drawn global artists, bankers, media folk and curious cosmopolitans ever since 1863. Historic architecture meets majestic rooms with eclectic details, a vibrant atmosphere and legendary nightlife.

Located at the center of Stockholm's dynamic shopping and restaurant district, overlooking Berzelii Park and the Baltic Sea, Berns has been a hub of Stockholm's entertainment scene for over 150 years.

The CSO 360 Resilience Dinner Roundtable will be hosted in the magical private dining room, Röda Rummet, where Sweden's most famous author, August Strindberg, sat and discussed politics and art with other radical bohemians in the 1880s.

## Welcome to CSO 360 Resilience Roundtable NORDICS! Crucial Trends to Build Organisational Resilience in 2023

### You're invited!

Organisational resilience remains a strategic imperative, growing in importance as businesses face threats from cybercrime, climate change, severe weather and political instabilities. Security Professionals must not only protect their employees but also position the organisation itself to remain resilient. Learn real-world advice, first-hand insights on the challenges we face and share strategies on how we can overcome them.

Key talking points include:

- Best practices and lessons learned in developing a robust and reliable resilience plan
- New perspectives of organisational resilience and business continuity in a hybrid working environment
- The complex process of enhancing/connecting digital and physical security and safety throughout your business

Sponsored by Everbridge, hosted by Pulse Conferences, we hope that you will participate in this discussion on how Directors of Corporate Security, Resilience, Investigations and Intelligence are building organisational resilience in 2023.

We invite you to join peers at the wonderful Berns Hotel in Stockholm for what promises to be a dynamic discussion, a top culinary experience and great company!

Yours sincerely,

Team Pulse
