The Setting Matters!

The legendary Bayerischer Hof-home to the Munich Security Conference and host to world leaders-provides the perfect backdrop for confidential, high-level discussions among security's elite.

By CISOs, For CISOs

The **9th CISO 360 Global Congress** brings together the world's foremost cybersecurity leaders for an unrivalled networking and benchmarking experience at Munich's prestigious **Bayerischer Hof Hotel, 24-26 June 2025**. Weather depending, we will open the glass roof to transform CISO 360 Global Congress 2025 into a **spectacular open-air occasion!**

The CISO 360 Congress stands as the definitive **antithesis to traditional tradeshows** - an **intimate, practitioner-led forum** where CISO, CEO and CTO security leaders truly engage in meaningful benchmarking and the kind of relationship building that delivers tangible strategic value and change, long after the event concludes! This year. We are thrilled to announce this year's Congress will be **chaired by an active in-role CISO, Graham Edwards, CISO of D&G**. Where security leadership truly connects.

The CISO 360 Difference

- Focus on practical, **real-world case stories** and **actionable solutions**. CISOs leave with tools!
- Environment for honest sharing and the entire event is held Under **The Chatham House Rule**.
- Relationship-focused, quality networking with leading **CISO peers**
- Topics are forward-facing to prepare CISOs for tomorrow's challenges and to **be ready today!**

Real-World CISO Stories + Fresh External Perspectives!

Our international Speaker faculty navigate the same complexities that you face daily. Plus we add unique perspectives from outside the CISO box.

- What does **true resilience** and **converging security paths** look like in today's interconnected landscape?
- How can you prepare meaningfully for **quantum computing** threats?
- Is it even possible to get **Third-Party Risk Management (TPRM)** and **supply chain security** right in 2025?

A Truly Immersive Experience. This is YOUR Agenda!

- Exclusive pre-Congress Roundtable on CISO priorities (June 24)
- Case stories featuring raw CISO-to-CISO sharing
- Scenario-based crisis exercises to test your team's readiness
- CISO 360 Playbooks! Focused discussion groups by vertical, by topic
- 360° Innovation Speed-Meetings showcasing emerging solutions
- Evening Networking Schedule! Connect at cultural activities, dinners, receptions and tours.

"Once you attend CISO 360, you become a part of the family! This community building through shared experiences makes it different from other conferences!"
CISO, ILO - United Nations (Switzerland)

"It is hard to describe what an amazing experience it was to attend. Excellent speakers and audience engagement, surprisingly unobtrusive vendors where productive conversations were held, without all the sales hype!"
Global Deputy CISO, Cushman & Wakefield (UK)

"It's one of the best conferences for cybersecurity professionals! We really get to exchange information with other professors and peers in this industry, we build trust among us in this inclusive environment!"
CISO, European Investment Bank (Luxembourg)

The Setting Matters!

The legendary Bayerischer Hof-home to the Munich Security Conference and host to world leaders-provides the perfect backdrop for confidential, high-level discussions among security's elite.

Multiple Curated Session Types: What makes this Congress different?

- **Case Stories** (20 mins) → Get battle-tested strategies straight from senior CISOs who've been in the trenches. **Real failures, real wins, real lessons** you can apply immediately.

- **Fireside Chats** (20-30 mins) → **Intimate interview-style conversations** that go beyond the surface, revealing the thinking behind critical security decisions.

- **Open Panels** (30-40 mins) → YOU as the Delegate are invited to shape the conversation. These aren't one-way presentations - **panels ask YOU questions and vice-versa**, creating authentic peer exchanges.

- **AMA Panels** (25-30 mins) → Unfiltered access to security leaders' wisdom. No rehearsed pitches, just **honest answers** to your most pressing challenges.

- **CISO 360 Playbook Tables** (20-25 mins) → Tactical table discussions where you **collaboratively solve real challenges**, then share insights with the entire Congress.

- **Lightning Talks** (5 mins) → Sharp, visual storytelling that energises the room. Take the challenge! 20 slides × 15 seconds = **maximum impact, minimum time**.

- **360 Security Spotlights** (10 mins) → Corporate leaders from **outside security** inject fresh perspectives, helping you align security with broader business vision.

Our carefully curated agendas are all about peer-to-peer **sharing, learning** and **inspiring** one another. Every session is designed and positioned for maximum engagement, immersion, practical value and memorability!

CISO 360 ROUNDTABLE

Tuesday 24 June 2025

Defend Forward: Where are our Critical Cyber Resilience Gaps?
Security Leaders Drive the Conversation.

THE CISO 360 ROUNDTABLE EXPERIENCE

Topics reflect the authentic voices and 'top priorities in common' of practicing CISOs dealing with real-world operational challenges in 2025 and beyond.

FORMAT

- **Genuine peer-to-peer conversation.** Antithesis of traditional conference formats – no slides, no stages, no audiences, only participants!
- **Your challenges become our agenda.** We consult confirmed participants to identify CISOs' most pressing concerns.
- **Chatham House Rule – strict non-attribution** – Trusted setting where leaders can speak candidly about sensitive challenges, failures, and successes without concern for attribution.
- **Experienced CISO moderators and facilitators** guide rather than direct. All voices are heard while drawing out insights from the diverse experience in the room.
- **Practical takeaways, benchmark comparisons, and implementable approaches.** Concludes with you can apply immediately. Leave with practical takeaways!

FACULTY

Co-Steered by:

- **Ray Stanton**, CRO/CISO/CSO, Board Advisor/NED Chair/Board Member (UK)
- **Michael Beaupre**, Head of Cyber Security, Hays AG (GERMANY)

Co-Facilitators:

- **Roshan Hamid Sherifudeen**, CSO, Raiffeisen Processing Centre (SLOVAKIA)
- **Dr. Leila Taghizadeh**, CISO, Allianz (GERMANY)
- **Matthias Muhlert**, Group CISO, Oetker-Gruppe (GERMANY)
- **Nick Gertesian**, CISO, eClinical Solutions (USA)

+ Further...

"After years of sitting through countless presentations at security conferences, the CISO 360 Roundtable format was a revelation – three hours of focused, peer-level conversation delivered more actionable insights than three days at typical industry events!"

CISO, Global Financial Institution

09:10	360 SPOTLIGHT: ACCESS IN THE LLM AGE LLMs didn't just flatten knowledge. They flattened access. In the age of agents and copilots, enterprise data is only one query away from exposure. Gadi Evron , CEO & Co-Founder, Knostic (ISRAEL)
09:30	CASE STORY: CYBERFANTASTIC Matthias Muhlert , Group CISO, Oetker-Gruppe (GERMANY)
09:50	CASE STORY: IMPACT OF THE RECENT BLACKOUT IN SPAIN AND PORTUGAL Focus on the impact of the blackout on IT and communications, both at CMVM and more generally in Portugal, how emergency plans (did and didn't) work and how people reacted. Jorge Fernandes , CISO, DPO & Director of the Internal Control Office, Comissão do Mercado de Valores Mobiliários (PORTUGAL)
10:10	CASE STORY: HOW QUICK IS YOUR O.O.D.A? APPLYING INNOVATION IN CYBER DEFENCE In the infinite game of cyber, speed wins. Speeding up our OODA loop lets defenders anticipate moves, accelerate response, and flip the advantage before the first strike hits. If you're curious about how innovation can reshape the future of cyber defence, this is for you! Reena Pathak , Director, Cyber Defence & Resilience, Centrica (UK)
10:30	CISO 360 INNOVATORS PANEL: CEOS, CTOS, FOUNDERS UNCENSORED Ask the tough questions. Get unfiltered answers. Cut through the noise and discover what's truly emerging in cybersecurity. Direct access to Founder/CEO perspectives – a rare opportunity for CISOs to gain unfiltered insights from the innovation frontline. · Which cybersecurity challenges these innovations actually solve · Closing Trust Gaps · What do the next 5 years hold for cybersecurity? 360 SPOTLIGHT:

CYBERSECURITY CONSIDERATIONS FOR ROBOTICS

Convergence of OT/IT security becomes critical for organisations implementing smart automation.

- Ground-breaking break-throughs in robotics
- Operational Technology (OT) Convergence and “security by design” in robotic deployments
- Regulatory implications: Data protection, cross-border data flows
- Business continuity risks: Downtime. Safety.
- Intellectual Property: AI models become targets for industrial espionage

14:20

FIRESIDE CHAT:

EVOLVING ROLE OF THE CISO AND FUTURE-PROOFING SECURITY TEAMS

How does the CSO add value now – and what is the importance of the link with the CISO. The risks are all interconnected. The context of the CSO’s evolving role is that, given how dramatically the world has changed in recent years, the role of the CSO must have changed also – or else he is now behind the curve.....so how has the role changed and why??

- Do traditional roles still apply in an increasingly complex environment?
- Predictions for new job titles and areas of growth
- How to appeal to and nurture younger people within the security workforce
- How do I ensure my team develops critical thinking beyond AI tool usage?

14:50

CISO 360 TECH STACK PLAYBOOKS:

Engage with CISO peers in smaller, themed roundtables alongside CISOs on different areas of interest to benchmark approaches. Each table is co-led by a CISO and a senior strategist. Reimagining security architecture for emerging technologies and threats!

1. **QUANTUM-SAFE:** How do we implement quantum-safe cryptography without disrupting operations?
2. **IDENTITY:** What’s a good identity management strategy for an agentic AI world?
3. **ZERO TRUST:** What’s the future of endpoint detection in a zero-trust, AI-agent world?

VENUE & ACCOMMODATION

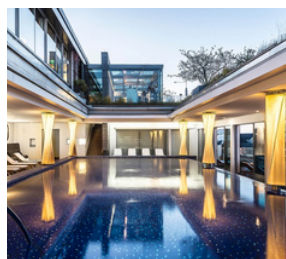

Our Venue

Bayerischer Hof Hotel Munich Promenadeplatz 2-6, 80333 Munich, Germany 35km/22mi from international Airport Munich Franz- Josef-Strauss (MUC) 1km/0,62mi from Munich Central Station (ZMU) www.bayerischerhof.de

Munich's most legendary hotel stands proudly on Promenadeplatz, its stately 19th century façade perhaps giving the impression of an old-time grand dame. Spread over seven floors, the property boasts 337 rooms and suites, five restaurants and six bars (including a rooftop bar and nightclub, a private cinema, pool, and spa). The hotel has been voted in numerous rankings as one of the best grand hotels in Europe. Bayerischer Hof is the venue for the annual Munich Security Conference attended by Presidents and Ministers. **Event Rates - Bookings are open!**
