**CISO 360**  
GLOBAL CONGRESS

Time to redefine what's possible in security leadership at the antithesis to traditional tradeshows.

Hosted and created by  
**PULSE**  
CONFERENCES

24-26 June 2025

Bayerischer Hof  
Hotel | Munich

## The Setting Matters!

The legendary Bayerischer Hof—home to the Munich Security Conference and host to world leaders—provides the perfect backdrop for confidential, high-level discussions among security's elite.

## By CISOs, For CISOs

The **9th CISO 360 Global Congress** brings together the world's foremost cybersecurity leaders for an unrivalled networking and benchmarking experience at Munich's prestigious **Bayerischer Hof Hotel, 24-26 June 2025**. Weather depending, we will open the glass roof to transform CISO 360 Global Congress 2025 into a **spectacular open-air occasion!**

The CISO 360 Congress stands as the definitive **antithesis to traditional tradeshows** – an **intimate, practitioner-led forum** where CISO, CEO and CTO security leaders truly engage in meaningful benchmarking and the kind of relationship building that delivers tangible strategic value and change, long after the event concludes! This year. We are thrilled to announce this year's Congress will be **chaired by an active in-role CISO, Graham Edwards, CISO of D&G**. Where security leadership truly connects.

## The CISO 360 Difference

- Focus on practical, **real-world case stories** and **actionable solutions**. CISOs leave with tools!
- Environment for honest sharing and the entire event is held Under **The Chatham House Rule**.
- Relationship-focused, quality networking with leading **CISO peers**
- Topics are forward-facing to prepare CISOs for tomorrow's challenges and to **be ready today!**

## Real-World CISO Stories + Fresh External Perspectives!

Our international Speaker faculty navigate the same complexities that you face daily. Plus we add unique perspectives from outside the CISO box.

- What does **true resilience** and **converging security paths** look like in today's interconnected landscape?
- How can you prepare meaningfully for **quantum computing** threats?
- Is it even possible to get **Third-Party Risk Management (TPRM) and supply chain security** right in 2025?

## A Truly Immersive Experience. This is YOUR Agenda!

- Exclusive pre-Congress Roundtable on CISO priorities (June 24)
- Case stories featuring raw CISO-to-CISO sharing
- Scenario-based crisis exercises to test your team's readiness
- CISO 360 Playbooks! Focused discussion groups by vertical, by topic
- 360° Innovation Speed-Meetings showcasing emerging solutions
- Evening Networking Schedule! Connect at cultural activities, dinners, receptions and tours.

"Once you attend CISO 360, you become a part of the family! This community building through shared experiences makes it different from other conferences!"  
**CISO, ILO – United Nations (Switzerland)**

"It is hard to describe what an amazing experience it was to attend. Excellent speakers and audience engagement, surprisingly unobtrusive vendors where productive conversations were held, without all the sales hype!"  
**Global Deputy CISO, Cushman & Wakefield (UK)**

"It's one of the best conferences for cybersecurity professionals! We really get to exchange information with other professors and peers in this industry, we build trust among us in this inclusive environment!"  
**CISO, European Investment Bank (Luxembourg)**

## Multiple Curated Session Types:

- **Case Stories** → Get battle-tested strategies straight from senior CISOs who've been in the trenches. **Real failures, real wins, real lessons** you can apply immediately.

- **Fireside Chats** → **Intimate interview-style conversations** that go beyond the surface, revealing the thinking behind critical security decisions.

- **Open Panels** → YOU as the Delegate are invited to shape the conversation. These aren't one-way presentations - **panels ask YOU questions and vice-versa**, creating authentic peer exchanges.

- **AMA Panels** → Unfiltered access to security leaders' wisdom. No rehearsed pitches, just **honest answers** to your most pressing challenges.

- **CISO 360 Playbook Tables** (20-25 mins) → Tactical table discussions where you **collaboratively solve real challenges**, then share insights.

- **Lightning Talks** (5 mins) → Sharp, visual storytelling that energises the room. Take the challenge! 20 slides × 15 seconds = **maximum impact, minimum time**.

- **360 Security Spotlights** (10 mins) → Corporate leaders from **outside security** inject fresh perspectives, helping you align security with broader business vision.

Our carefully curated agendas are all about peer-to-peer **sharing, learning** and **inspiring** one another. Every session is designed and positioned for maximum engagement, immersion, practical value and memorability!

# CISO 360 ROUNDTABLE

## Tuesday 24 June 2025

Defend Forward: Where are our Critical Cyber Resilience Gaps?  
Security Leaders Drive the Conversation.

### THE CISO 360 ROUNDTABLE EXPERIENCE

Topics reflect the authentic voices and 'top priorities in common' of practicing CISOs dealing with real-world operational challenges in 2025 and beyond.

#### FORMAT

- **Genuine peer-to-peer conversation.** Antithesis of traditional conference formats – no slides, no stages, no audiences, only participants!
- **Your challenges become our agenda.** We consulted everyone pre-event to identify CISOs' most pressing concerns.
- **Chatham House Rule – strict non-attribution** – Trusted setting where leaders can speak candidly about sensitive challenges, failures, and successes without concern for attribution.
- **Experienced CISO moderators and facilitators** guide rather than direct. All voices are heard while drawing out insights from the diverse experience in the room.
- **Practical takeaways, benchmark comparisons, and implementable approaches.** Concludes with you can apply immediately. Leave with practical takeaways!

#### FACULTY

##### Moderators:

- **Ray Stanton**, CRO/CISO/CSO, Board Advisor/NED Chair/Board Member (UK)
- **Michael Beaupre**, Head of Cyber Security, Hays AG (GERMANY)

##### Co-Facilitators:

- **Dr. Leila Taghizadeh**, CISO, Allianz (GERMANY)
- **Matthias Muhlert**, Group CISO, Oetker-Gruppe (GERMANY)
- **Nick Gertesian**, CISO, eClinical Solutions (USA)

*"After years of sitting through countless presentations at security conferences, the CISO 360 Roundtable format was a revelation – three hours of focused, peer-level conversation delivered more actionable insights than three days at typical industry events!"*

**CISO, Global Financial Institution**

### TIMINGS – A DYNAMIC FLOW

14:00–14:30

#### WELCOME LIGHT LATE LUNCH & ARRIVALS

Begin forming connections over a light lunch!

14:30–17:30

#### CISO 360 ROUNDTABLE – KINGSWOOD HALL

Participant-driven conversations that evolve organically, allowing for both breadth of coverage and depth of exploration on critical topics, input by CISOs pre-event.

17:30–19:30

#### WELCOME DRINKS RECEPTION – FALK'S BAR

Continue conversations in the relaxed setting of the Falks Bar!

19:30–19:45

**TRANSIT** – Transport provided by Pulse.

19:45–23:00

**CISO 360 SUPPER** 🍷 Chinesischen Turm Beer Garden – Englischer Garten.

### KEY THEMES INPUT BY CISOs

1. **Real-World AI: Integration, Risk and Resource Optimisation:** How are we leveraging AI in a secure and ethical way?
2. **Compliance and Regulatory Challenges:** How are we keeping pace?
3. **Operational Resilience and Preparedness:** Where are our resilience gaps? What is our modus operandi?
4. **Threat Landscape, Intelligence and Mitigations:** What lessons are being implemented in-house and across our supply chains?

*"The absence of vendor pitches and the presence of genuine practitioner experiences created a unique environment where I could both contribute and learn."*

**CISO, Healthcare Organisation**

## Wednesday 25 June 2025

Timings are subject to change.

15:20

### PANEL: SUPPLIER ENGAGEMENT IS KEY TO BUILDING SUPPLY CHAIN RESILIENCE

Supply chain risk management involves complex business relationships and vast data volumes, yet many organisations still rely on static spreadsheets in shared drives. We examine why Third-Party Risk Management (TPRM) often fails and how strategic collaboration can improve security across your entire supply chain.

Moderated by: **Justin Kuruvilla**, Chief Cyber Security Officer, **Risk Ledger**

With: **Stephen Khan**, CISO – EMEA & APJ, **Cognizant**

**Andrea Litherland**, Head of Cyber Security

**Paul Colnan**, CISO, **NewDay**

**Qasim Raza**, Technology Programme Delivery Lead, **Barclays**

15:50

### CISO 360 RESPONSE PLAYBOOKS:

#### HOW WOULD YOUR TEAM RESPOND? SHARED EXPERIENCES.

Engage with CISO peers in smaller, themed roundtables focusing on CISO approaches to topics. Each table is co-led by a CISO and a senior strategist.

#### 1. HUMAN FACTORS: COERCION IN CRYPTO, COLLUSION AND CRIME.

Led by: **Sean Turner**, CISO, **Twinstake**

#### 2. SUPPLY CHAIN RISK.

Led by: **Justin Kuruvilla**, Chief Cyber Security Officer, **Risk Ledger**

**Stephen Khan**, CISO – EMEA & APJ, **Cognizant**

#### 3. CONTINUOUS THREAT EXPOSURE MANAGEMENT (CTEM) DEFENSE: BUILDING YOUR PLAYBOOK AGAINST ATTACKER TACTICS.

Led by: **Ralf Schmitz**, Director of EMEA, **IONIX.io**

**Adam Drabik**, CISO, **SKF**

#### 4. IS COMPLIANCE ENOUGH, OR DO WE REQUIRE GREATER FOCUS?

Led by: **Lee Morton**, Head of Cyber Security, **GBG plc**

**Julia Harris**, Information Security Assurance and Compliance Director, **Flight Centre Travel Group**

#### 5. BEST PRACTICES FOR INTEGRATING IAM STRATEGIES INTO AI WORKFLOWS.

Led by: **Godwin Amila**, Associate Director / Solutions Architect, **WSO2 Inc.;**

**Jonny Herd**, CISO; **Matthias Muhlert**, Group CISO, **Oetker-Gruppe**

#### 6. INTEGRATING INTERNAL AND EXTERNAL CYBER DEFENSE STRATEGIES FOR A MODERN SECURITY OPERATION

Led by: **Adam Holt**, VP Engineering Solutions, EMEA, **BlueVoyant**

**Quentyn Taylor**, Senior Director – Product, Information Security & Global Incident Response, **Canon Europe**

16:25

AFTERNOON TEA BREAK

16:40

### PANEL: AI IS EVERYWHERE, DON'T GET DISTRACTED! HOW ARE WE FOCUSING ON CYBER RESILIENCE AND ESSENTIALS IN THE AGE OF AI?

- How are we strengthening our foundations? What do we consider to be cyber essentials?
- What risks and controls are we prioritising?
- Are we still managing to reduce the attack surface in the age of AI?

Led by: **Raghu Nandakumara**, Head of Industry Solutions, **illumio**

With: **Indy Dhiman**, Senior AI Security Architect, **Humana**

**Roshan Hamid Sherifudeen**, CSO, **Raiffeisen Processing Centre**

**Sounil Yu**, Co-Founder and CTO, **Knostic**

16:55

### ASK ME ANYTHING (AMA) PANEL:

#### HOW ARE CISOs AND SECURITY TEAMS LEVERAGING AI? DOING MORE WITH LESS

- How do we balance threat intelligence consumption with operational security?
- Maintaining business-as-usual while improving security posture
- SOC transformation using AI
- What are the best metrics we're using to prove the value of AI and security ROI?

Moderated by: **Simon Riggs**, CISO, **OneAdvanced**

**Nick Gertesian**, CISO, **eClinical Solutions**

**Sandip Wadje**, MD, Global Head of Emerging Technology Risks, **BNP Paribas**

Hotel Bayerischer Hof | Munich | Germany

### VENUE & ACCOMMODATION

#### Our Venue

Bayerischer Hof Hotel Munich Promenadeplatz 2-6, 80333 Munich, Germany 35km/22mi from international Airport Munich Franz- Josef-Strauss (MUC) 1km/0,62mi from Munich Central Station (ZMU) [www.bayerischerhof.de](http://www.bayerischerhof.de)

Munich's most legendary hotel stands proudly on Promenadeplatz, its stately 19th century façade perhaps giving the impression of an old-time grand dame. Spread over seven floors, the property boasts 337 rooms and suites, five restaurants and six bars (including a rooftop bar and nightclub, a private cinema, pool, and spa). The hotel has been voted in numerous rankings as one of the best grand hotels in Europe. Bayerischer Hof is the venue for the annual Munich Security Conference attended by Presidents and Ministers. **Event Rates - Bookings are open!**
