#CSO360

Welcome to the inaugural CSO 360 LATAM

Co-located with CISO 360 LATAM | 10–11 December 2025 | Hilton Copacabana, Rio de Janeiro, Brazil.

Global Security Intelligence Conference

Raising the Resilience Bar: Protecting People, Profits, Property, Reputation

Dear Colleague,

We are delighted to announce the inaugural **CSO 360 LATAM Conference** - a high-level gathering for Chief Security Officers, Heads of Resilience, Investigations, and Risk Leaders shaping corporate security strategy across Latin America. Co-located with CISO 360 LATAM, this unique twin-conference format unites the corporate, resilience, intelligence, and cybersecurity communities under one roof — fostering collaboration while preserving the distinct focus of each discipline.

For over a decade, Pulse Conferences has convened CISOs and CSOs globally. Now, for the first time, the Pulse 360 ethos comes to Latin America - connecting leaders to share strategies, confront regional challenges, and strengthen organisational resilience in a fast-evolving landscape.

Why Participate?

- Multilingual participation – Sessions in English, Spanish & Portuguese
- Regional focus, global vision – LATAM realities in global context
- Security as a business enabler – Outcome-driven dialogue
- Cross-security collaboration – Cyber + Physical + Intelligence + Resilience
- Curated leadership agenda – Fireside chats, roundtables, case studies
- Innovation spotlight – Cutting-edge technologies in the Security Hub
- Immersive networking – Lunches, receptions & cultural dinners
- Global intimacy – 80–100 senior practitioners, no trade show stands

 Be part of the first 100 leaders shaping the direction of CISO & CSO 360 LATAM - and become a Founding Member of this trusted new regional and global community!

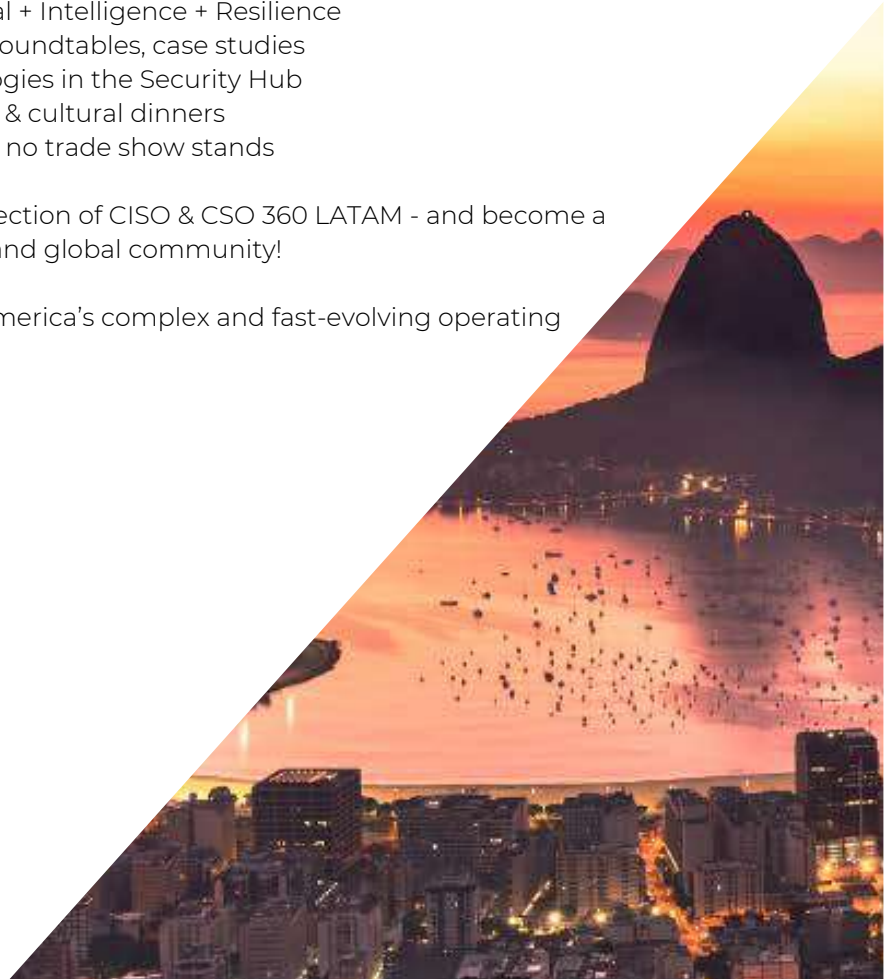

Building organisational resilience within Latin America's complex and fast-evolving operating environment.

CSO 360 LATAM Team

Pulse Conferences

Why Join CSO 360 LATAM?

- Compare and share how prominent security leaders are leading teams and driving their businesses forward
- Benchmark with security and resilience peers from across the LATAM region and beyond
- Build collective resilience learning from those doing the job day in day out

 Dr Sally Leivesley, Newrisk Limited London (UK)

CISO 360 LATAM

Co-located sessions:
 Cybersecurity, technology risk, information security

AGENDA - 10 DECEMBER 2025

CSO 360 LATAM

13:20 Lunch

14:20 Case Story: Getting Buy-In for Corporate and Cyber Security Projects.

How to promote organisational change; engage key stakeholders; getting resources and avoid common pitfalls.

Breno Araujo, Head of Corporate Security Latin America, Corteva Agriscience (Brazil)

14:45 CSO Journey: Lessons Learned from 20 Years as a CSO

Mark Wolsey, Director Special Projects Ukraine, CRH plc. (UK)

15:05 Fireside Chat: What's Next for LATAM? Organised Crime, Kidnapping and Complex High-Risk Scenarios

Criminal organisations continue to be a significant threat to business operations in the LatAm region, with sophistication enhanced by emerging technologies. What are the business challenges? How are businesses anticipating and adapting?

- Protocols for dealing with kidnappings, express kidnappings, bribery and extortion
- How are we protecting global supply chains?
- Escalation against organised crime in Mexico and security implications for businesses
- What's next? Geopolitical complexity – managing interconnected global risks

Panellists: Breno Araujo, Head of Corporate Security Latin America, Corteva Agriscience (Brazil); Ned Farmer, Senior Strategic Intelligence Analyst

15:40 Case Story: Infiltration of Organised Crime

Corporate entities face penetration by organised crime groups requiring thorough review of physical security posture and emergency response procedures. Updates.

16:00 AMA (Ask Me Anything) Panel: Corporate Investigations, Insider Risk and Misconduct in the Era of Mis- and Disinformation

Join corporate investigators doing the job day in day out for a focused chat on how leading organisations are redefining investigations in complex global environments, managing security and crises amid AI-driven disinformation, bots, and social media-fuelled unrest.

- How do we rebuild digital trust in an age where deepfakes make seeing no longer believing?
- Leveraging data and AI for smarter, faster insights Strengthening whistle-blower trust and ethical culture
- Moving from reactive investigations to proactive prevention

16:30 Panel: Weathering the Storm - Mitigating Business Impacts of Climate Change

Explore how CSOs can prepare their organisations for resilience while also aligning with regional sustainability strategies and capturing market opportunities. How is climate change already affecting operations and costs in LATAM, from energy pricing to supply chain reliability?

17:00 Close of Day One - Networking

CISO 360
LATAM

information
security*

Networking: CSO + CISO 360 LATAM

17:30-23:00 Networking Dinner
Kindly Sponsored by:
Mastercard

Join security peers for drinks and dinner to continue the conversations!

AGENDA - 11 DECEMBER 2025

////////////////////////////////////

CSO 360 LATAM

07:00 *Optional Run on the Beach*

09:00 **Welcome Coffee**

09:15 **Chairperson's Welcome Back**

09:20 **Case Study: Securing Events: UN Climate Change Conference (November Rio)**

- Gaming/esports event security - lessons from recent Rio implementations
- Corporate facility security during Brazilian political instability
- Supply chain protection against organised crime infiltration

09:50 **Spotlight: Insider Threat: Infiltration of Corporate Operations**

Vetting and background screening protocols

10:10 **Panel: Security 360 Innovation - Leveraging Technology for Corporate Security and Intelligence**

Cut to the chase, ask questions and stay on the pulse of new offerings in the security space. A win-win for CSOs and providers. Ask questions, gain fresh views! What problem are we solving? What inspired the creation? Case studies on successful integration. Is AI used? Overcoming barriers to adoption – how to gain credibility and customer trust Predictions for the next five years in security

10:30 **Fireside Chat: Protocols for dealing with kidnappings, express kidnappings, bribery and extortion, Workplace Violence Prevention Playbooks - Practical response strategies**

11:00 **Morning Break**

11:20 **Security Convergence in the Energy and Utilities Sectors**

11:40 **Best Use Cases of AI: The AI Revolution – Balancing Innovation with Responsible Governance**

12:20 **CSO 360 Playbooks:**

Participants will share table feedback on key case uses.

1. **Building Executive Protection Programmes on Any Budget**
2. **Regional Organised Crime Business Impacts**
3. **Best Practices for Market Entry & Operations in Difficult Environments**
4. **Maritime and Ports Security & Supply Chain Risk**
5. **Integration of AI with crisis management and the ability to link real time responses to predictive outcomes**

13:00 **Spotlight: Counter-Terrorism Updates**

How are terrorism threats shaping corporate security? Which aspects of preparedness need the most urgent focus? How can CSOs ensure proportionate, practical measures that protect business continuity in high-risk environments? What opportunities exist for regional and international collaboration to strengthen counter-terrorism resilience?

13:20 **Lunch**

CISO 360 LATAM

sessions:
Cybersecurity,
technology
risk,
information
security*

AGENDA - 11 DECEMBER 2025

Security Leadership Roundtable:

Raising the Resilience Bar: Where Are Our Critical Resilience Gaps?

The meeting of physical, cyber, intelligence, IoT, and product security minds!

14:20-16:00 Roundtable with CSOs and CISOs

A highlight of both the **CSO 360 LATAM** and **CISO 360 LATAM** agendas, the Security Leadership Roundtable unites CSOs, CISOs, and security luminaries across disciplines. Discussions begin with **holistic themes** before **breaking into focused tables** to identify shared priorities.

Why Join:

- Take away practical insights from peers breaking silos and converging pathways
- Hear practitioner-led strategies and best practices in a trusted Chatham Rule setting
- Cross pollinate and strengthen alignment across security disciplines

Format:

Our experienced roundtable faculty will guide an open plenary discussion, with breakout CISO and CSO groups. No slides – just dialogue.

Key Talking Points Shaped by Security, Geopolitical Intelligence Risk, and Investigations Practitioners:

- Where are our critical resilience gaps and how do we prepare for disruption?
- Mis- and disinformation - fostering collaboration across security domains
- Removing the siloes between security pillars
- State-sponsored activities, cybercrime, hacktivism, and terrorism
- Future skills to stay ahead of AI, quantum, and emerging technologies
- Well-being and mental health in security leadership
- Board metrics - what truly resonates with directors?
- Crisis communication and board-level reporting
- Insider threat programmes

Networking CSO + CISO 360 LATAM

"Loved the energy, the talks, the stands and the networking activities!"

The Trusted Global Security Leadership Community
Join our community today. Connecting minds, securing the future.

connect | inspire | innovate

Pulse Conferences is an independent, self-owned B2B company that connects professionals in security, cyber, risk, resilience and intelligence through trusted, practitioner-led events worldwide. Our focus is to connect, inform and inspire. We do not sell security products.

With hubs in London, Europe, Dubai, Singapore, New York and now Latin America, Pulse creates high-level conferences, roundtables and networking experiences under the Chatham House Rule for CISOs, CSOs and security resilience leaders.

Guided by our Four Pulse Pillars - Global Intimacy, Cross-Security Bridge, Practitioner-Led, Innovation-Supported, and Independent & Authentic Voice - we unite the global security community to share real-world insights and build trusted relationships across disciplines and borders.
