

Flagship 9th Annual

CISO 360

GLOBAL CONGRESS

Post-Event Report

24-26 June 2025

Bayerischer Hof | Munich | Germany

Hosted and created by

Summary

The 9th CISO 360 Global Congress, held from 24-26 June 2025 in Munich, delivered unparalleled value to the global cybersecurity leadership community. Over 150 top-tier CISOs and security executives from 15+ countries convened for two and a half intensive days.

Our meticulously curated agendas focused keenly on the most pressing challenges: cutting-edge advancements in AI security, navigating complex geopolitical cyber risks, fortifying vulnerable supply chains, defining the evolving CISO mission, and robust critical infrastructure protection. Each session was expertly designed for maximum peer-to-peer engagement, immersive learning, and practical application, ensuring memorable insights and actionable strategies for all attendees.

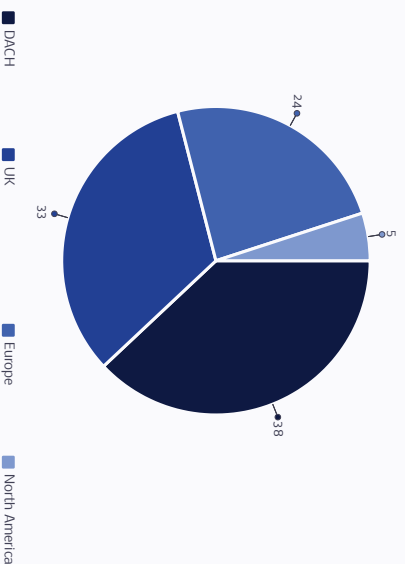

Top-Tier Delegates

92%

Leadership Composition

Chief Information Security Officers (CISOs) and Directors/Heads

Regional Breakdown

- Compliance/Regulations (NIS2, DORA, etc.)
- Identity/Access Management
- Vulnerability Management
- Budget/Resource constraints

Testimonials

"The reformed cyber-criminal fireside chat was unprecedented – insights you simply can't get anywhere else in our industry."

Paul Colman, CISO, NewDay

"Perfect balance of strategic geopolitical briefings and tactical case stories. The Munich setting added gravitas to serious discussions."

Dr. Viktor Polic, CISO, ILO – United Nations

"Speed meetings were brilliant - connected with CISOs facing identical AI governance challenges. Saved months of research."

Indy Dhinan, Senior AI Security Architect, Humana

"40 years of security wisdom session was career-defining. Julia Harris shared insights that will shape my next decade as a CISO."

Anonymous Fortune 500 CISO
